

How is your business funded?

As part of our SME Trends Index 2014 we asked businesses what forms of funding they currently use...

 **56%** use existing cash flow 

 **47%** use business credit cards 

 **30%** use a bank overdraft 

 **29%** use asset finance 

 **21%** use bank loans 

 **21%** use invoice finance 

 **17%** use loans from family and friends 

 **12%** use personal credit cards 

 **9%** use credit insurance
